

CHC32015 Certificate III in Community Services

**GALLANG
EDUCATION AND
TRAINING**

Course Description

This qualification reflects the role of entry level community services workers who support individuals through the provision of person-centred services. Work may include day-to-day support of individuals in community settings or support the implementation of specific community-based programs.

At this level, work takes place under the direction of others and supervision may be direct or indirect. Work may take place in a range of community services organisations

Course Details

Mode of delivery Face-to-Face / online study
